

PREVENTING SLIPS, TRIPS AND FALLS: FOOTWEAR

WHAT TYPE OF FOOTWEAR IS RIGHT FOR YOUR JOB?

Wet weather boots or shoes, covered toes, slip resistant soles? Do you have and use winter footwear?

Keeping safe is within your control. Ask your supervisor what is the footwear policy for your workplace. Are you maintaining your footwear in good condition? No hole in your sole! Do you tie and secure your footwear? Do your shoes fit properly and are they clean?

REMEMBER FOOTWEAR THAT'S NOT IN GOOD CONDITION IS A HAZARD TO YOUR SAFETY. MAINTAIN YOUR FOOTWEAR, MAINTAIN YOUR SAFETY!
